

FRANCE "LET  
DOWN" BY ALLIESDeclared Viscount Grey in  
Addresses at Bradford,  
Eng.HAD AGREEMENTS  
WHICH ARE GONEOne Was With Great Bri-  
tain, the Other With the  
United States

London, Oct. 25 (By the Associated Press).—Considerable interest has been aroused by Viscount Grey's allusion, in his address at Bradford last night, to France having been "let down" by her allies since the World war. Viscount Grey was British foreign secretary at the outbreak of the war, retiring upon the formation of the Lloyd George ministry in 1916.

"Before we criticize France's actions," he said, "let's realize the facts. When peace was concluded, France had two agreements, one with Great Britain and one with the United States, that she would have the full support of Britain and America if attacked in the future by Germany."

"These were not included in the treaty of Versailles but they were as much a part of the peace as was the treaty of Versailles. They made an enormous difference to France. They are gone. I admit it was not the fault of Lloyd George's government that they went, but it does not make it any better for France, whose fault it was."

Viscount Grey added, however, that the exclusive treaties could not assure permanent security and would lead to counter treaties and counter-alliances.

He contended that the policy of the coalition government had brought Great Britain dangerously near the necessity of fighting a single-handed war in the Near East and had imperiled the Indian empire.

## CENTER MARGOLSKI OUT.

Tore Several Muscles in His Back in  
Dartmouth Game.

Burlington, Oct. 25.—First practice since the Dartmouth game was held Tuesday at the University of Vermont grid camp, at which time Tom Keady had his men out for a short signal drill. Scrimmage was omitted at the first practice and it is not likely that Coach Keady will drill his men in this line of practice during the intervening time before the Holy Cross game.

Although the defeat of Dartmouth last Saturday instilled confidence in the team, yet the Green and Gold eleven is by no means over-confident and is not at all under-rating the Holy Cross outfit.

Coach Keady did not have practice for the first Monday, although the second and third teams were out on the field in charge of Line Coach Norman Crip.

One serious injury was the toll of the Dartmouth game and that one was the injury which Buck Margolski received near the end of the first half, when he tore several muscles from his back, yet did not let either the coach or his teammates know about it until the end of the game. It is now expected that he will be out of the game for at least two weeks and the chances are that he will not be able to play for a month. This would weaken Tom's pivot position but for the fact that he has a man to throw in who has had considerable experience at this position. This is Ed Johnson, who played center for two years, being only lately taken from that position. Coach Keady will probably make shifts in his line-up as he feels the team which he stacked up against Dartmouth to be about the best possible out of the material he has on hand.

## PRINCETON WORKING HARD.

For Its Game with University of Chi-  
cago Saturday.

Princeton, N. J., Oct. 25.—The Princeton football squad is making the usual mid-season preparations for its first hard test of 1922, that being the coming battle with the University of Chicago on Saturday. The 9 to 0 defeat of last year at the hand of Chicago is still stinging the memories of Tiger football men.

Chicago will start the game a de-

## COLLEGE RADIO CONTEST.

University of Vermont Has Entered  
for the Competition.

Burlington, Oct. 25.—Radio activi-  
ties will be the center of attraction  
at the University of Vermont this  
week when the university operators  
enter competition in the intercollegi-  
ate trans-Atlantic tests for which the  
preliminaries will begin Wednesday  
evening and continue for nine days.  
Last year the University of Vermont  
was one of the first college stations in  
this country to be heard across the  
Atlantic and the Radio club at Ver-  
mont believes that they can duplicate  
their feat of a year ago.

Robert Shanton, head operator at  
Vermont, has spent the first three  
weeks of college in setting his instru-  
ments into shape and he is confident  
that his strong efforts will be heard  
for a distance of 1200 miles, the dis-  
tance required to be heard before Ver-  
mont may qualify for the finals of the  
intercollegiate tests.

The tests are being held by the  
American Radio Relay league, and on  
completion of the tests of last year,  
the president of the league issued a  
statement to the Vermont Radio club  
in praise of the efficient work which  
they accomplished in the finals of the  
test.

## NATIVE OF NEWBURY.

Frank O. Brady, Railroad man, Died  
at Winnipeg.

Concord, N. H., Oct. 25.—A telegram  
was received here by Assistant Man-  
ager Fred M. Carter of the Eagle hotel,  
announcing the death at Winnipeg,  
Manitoba, of Frank P. Brady, member  
of the board of governors of the Cana-  
dian National railways. The body  
will be brought here for burial.

Mr. Brady was a native of Newbury,  
Vt., and began railroad work in Concord  
as a telegraph operator, one of his as-  
sociates on the latter job being Charles  
S. Mellen, former president of the New  
York, New Haven and Hartford rail-  
road. Mr. Brady and Mr. Mellen left  
Concord at the same time, and the  
former chose to pursue railroad work in  
Canada. For a time he was general  
superintendent of the intercolonial rail-  
ways, and his name was mentioned  
two years ago as a likely successor to  
the presidency of the Canadian govern-  
ment railways.

Mr. Brady occasionally returned to  
his old home here, his last visit being  
at Easter this year. At that time he ap-  
peared to have fully recovered from an  
operation which he had undergone, but  
the sickness returned a few months  
ago.

Happy Mother Tells How  
Children Were Restored

THE value of Tanlac as a family  
medicine is again very forcibly  
demonstrated in the home of Mrs. Jo-  
sephine Deckert, 1912 Bank street,  
Baltimore. After putting this splen-  
did tonic to the test with herself and  
three children, Mrs. Deckert says:  
"Tanlac has been such a great  
blessing to myself and three children  
that it has won my lifelong praise.  
My health had been so wretched for  
two or three months that I was just  
dragging around. I could neither eat  
nor sleep to do much good and had a  
world of trouble with indigestion. I  
have just finished my third bottle of  
Tanlac and am almost a well woman  
already."

"John Frank, aged six, and Carolina,  
who is four, both complained of head-  
aches, pains in the stomach and were  
very restless at night. They had no  
appetite, were thin and pale, and  
took no interest in play or anything  
else."

"And Joseph Paul, two years old,  
was in about the same fix. I could  
not get him to eat, he was fretful day  
and night, and was very thin and pale.  
They have taken about two bottles  
of Tanlac each now, and healthier,  
happier children could not be found."

John Frank has gained six pounds,  
Carolina eight and little Joseph is as  
fat as a butterball and playful as a  
kitten. I certainly have good reason  
for praising Tanlac."

The experience of the Deckert fam-  
ily is only typical of thousands of  
others whose statements are on file

in the Tanlac offices. Hardly a day  
passes that does not bring scores of  
such messages of praise from every  
part of the United States and Canada  
from families where mothers, fathers,  
sons and daughters have all found  
health, contentment and the joy of liv-  
ing through simply taking a course of  
Tanlac.

Tanlac is sold by all good druggists.

## OPENS WITH DARTMOUTH

And Middlebury's Basketball Schedule  
Ends With Vermont.

Middlebury, Oct. 25.—Middlebury  
college has begun the task of rounding  
out her squad of basketball players in an-  
ticipation of her long and hard sched-  
ule. Call for candidates was issued the  
early part of last week and fifty re-  
sponded. Many basketball men are on  
the football gridiron season is finished.  
Coach Brown has taken charge until a  
regular basketball coach is secured.  
Many freshmen are showing promise of  
becoming varsity material and with  
eight veterans reporting, hope is high  
for a strong quintet.

Of last year's men, Captain Leonard  
and "Beach" Rich, forwards, are rap-  
idly resuming their old time form. Oth-  
er veterans who are showing up well  
are Hardy, Timmerman and Sikorski.  
Coach Brown, finding it impossible  
to handle such a large squad at one  
time, is taking the freshmen and up-  
per classmen separately. Practice will  
be held from three to four times a  
week from now until the whistle blows  
for the first game. Some of the best  
rated fives in the country will be  
played on the Christmas trip which will  
take the Blue and White as far west  
as Michigan. The schedule is as fol-  
lows:

Dec. 9, Dartmouth at Hanover.  
Dec. 14, Vermont at Middlebury.  
Dec. 15, New York Teachers' college  
at Albany.  
Dec. 16, Columbia at New York.  
Dec. 27, Western Reserve at Cleve-  
land.
